#### ENDLESS CUSTOMIZATION OPTIONS

Frosted, Label Wrap, Decal, Hydro printed, Injection Colored (Opaque), Painted (Opaque/Trans)

Details: Call for pricing on other customization options. Pricing reflects only matte, glossy, and frosted painting on tubes. Domestic orders are subject to a \$300 paint setup fee. All prices are shown before an additional 15% tariff surcharge. Lead times and minimum order quantities vary based on domestic or overseas production, as well as type of customization. Not all customization options are available domestically. A \$2,500 fee is required to initiate production of custom packaging samples. If full production order is placed, the sample fee will be applied to the sales order.
