The perfect child-resistant packaging solution for any 510 cartridge, the Five10 Box was designed to be customized. This fully recyclable, lightweight paper box can be decorated to fit your brand identity with a variety of customization options. The design of Five10 Box features a perfectly sized slot for any 0.5 or 1.0 mL 510 cartridge to sit securely. The Five10 box also includes a built-in optional hang tab to ensure your product can be displayed in any dispensary planogram.

HANG TAG PERFORATION

## FIVE10 NON CHILD-RESISTANT BOX

- Compatible With Leading Cartridge Hardware
- Pairs Best With Pollen Tech Cartridges
- Customizable
- Lightweight Paper Design
- Fully Recyclable
- Rapid Lead Time
- ISO 9001 & 14001 Compliant

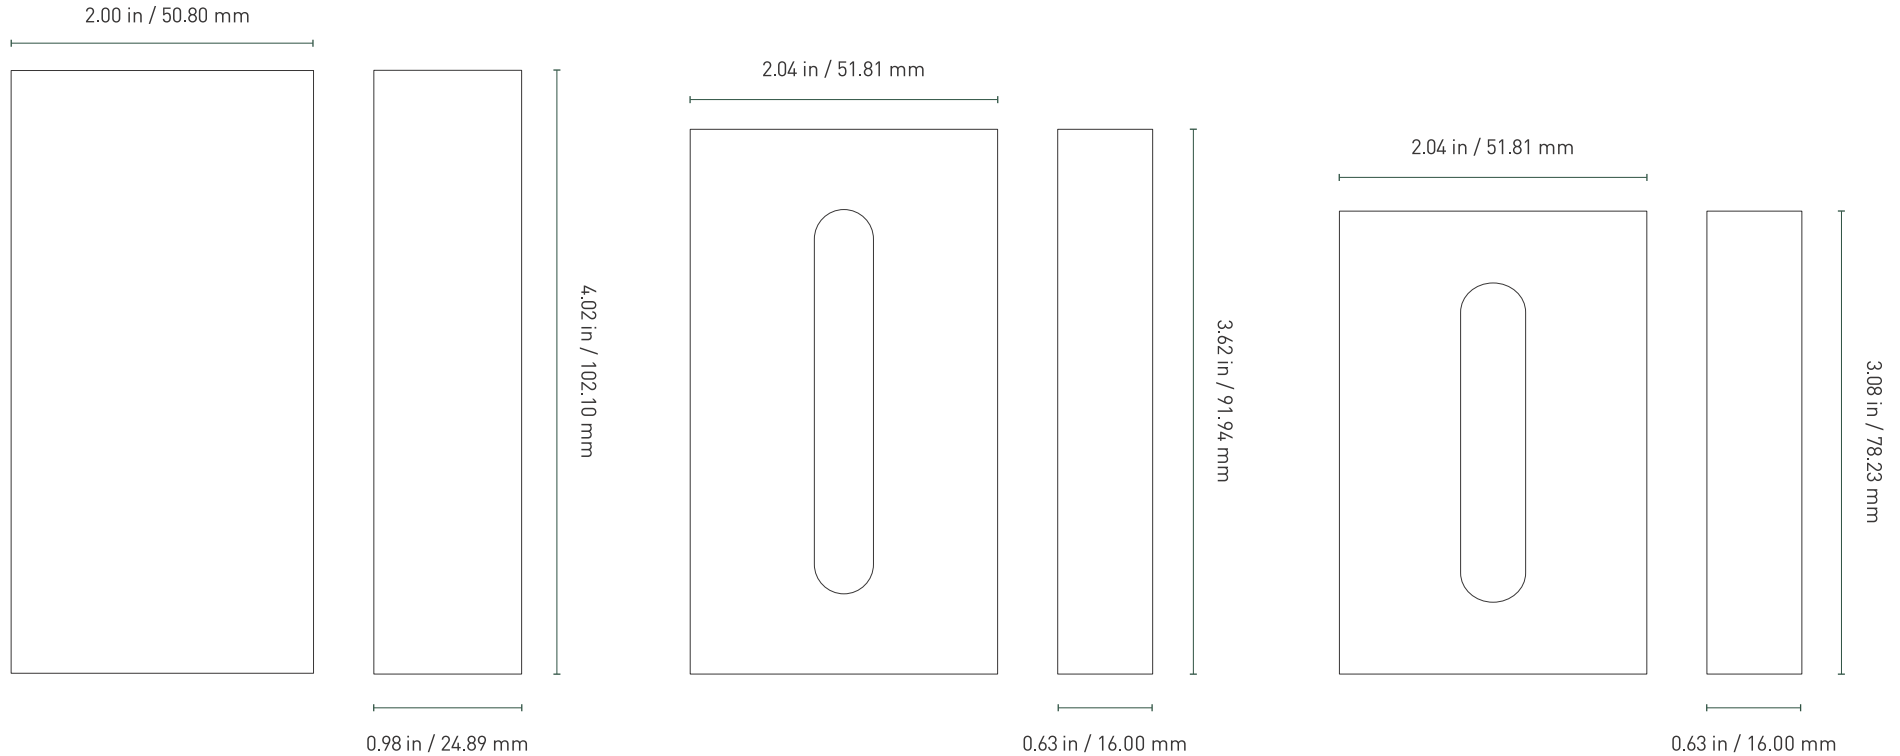

The non child-resistant box is an economical packaging solution for 510 cartridges. It is ideal for brands that operate in markets that do not require child-resistant compliance. This box is made-to-order, fully-customizable and a completely recyclable packaging solution. A perfectly sized foam insert to hold your cartridge snugly in place comes included with every order.
